Parent Statement of Understanding

Please keep and refer to your copy of the YMCA Child Care Parent Handbook which outlines our program policies and procedures. Your signature indicates that you have received, read, and understand the Parent Handbook.
- I understand that the YMCA staff and volunteers are not allowed to baby-sit or transport children at any time outside of the YMCA program. Immediate disciplinary action will be taken by the YMCA towards staff and volunteers if a violation is discovered.

- I understand that my child will not be allowed to leave the program with an unauthorized person. A court order is required to restrict a legal parent/guardian from pick-up. Any person authorized to pick up my child must either be listed with the YMCA or other arrangements must be made by calling the YMCA Child Care office (Ext. 118) to inform them of a change.
- Do not release my child to any of the following individuals _____, if any of these individuals are biological parents, a court order is required to not release.
- I understand that should a person arrive to pick-up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police. Please do not put staff in the position where they have to make this judgment call.
- I understand that the YMCA is mandated, by state law, to report any suspected cases of child abuse or neglect to the appropriate authorities of investigation.

Behavior Modification Techniques:

Here at the YMCA, we believe in the concept of "Positive Discipline". Through generous praise, encouragement and positive reinforcement, the motivation for most misbehavior can be eliminated. However, some discipline situations may arise. The teachers will discuss the situation with the child and any other children involved. If this does not work, the teachers will try to redirect the negative behavior. If the behavior persists, the teachers will then allow the child some time away from the activity.

The following techniques are used to help modify children behaviors:

- Changing the setting
- Giving choices
- Encouragement
- Reinforcing positive behavior
- Giving reasons
- Setting limits
- Giving consequences
- Warnings

If redirection of the child and the time out is ineffective and serious behavioral problems continue to disrupt the program, the parent will be called to pick-up their child early. The YMCA also reserves the right to remove or suspend a child without tuition reimbursement if the parents, Director of School Age Program, Head Teacher cannot mutually get the child to behave in an appropriate manner.

I affirm that I have been presented with, understand and agree to comply with the Behavioral Modification Techniques outlined above and in the Parent Handbook. I have discussed this policy with my child and the policy is understood by family as a whole.
