

TRADITIONAL CAMP

YMCA Camp Echo Rock is a child-centered, outdoor adventure program unlike anything else in the area. We use exciting activities to help children make friends, learn skills, gain confidence and make magical summer memories. Campers will have time for archery, swimming, boating, arts & crafts, sports & games and outdoor living skills such as fire building, outdoor cooking and camping. Our well trained professional role models create a culture where children feel supported, encouraged and valued.

SCOUTS (entering grades 2-3) – Campers begin their journey into an outdoor-based summer camp while developing vital, lifelong skills. Scouts learn the value of teamwork, honesty, respect, and responsibility as they enjoy activities such as archery, boating and outdoor living.

NAVIGATORS (entering grades 4-5) – Campers dive deeper into the realm of outdoor living with plenty of adventure! Campers learn skills including camp cooking and knot tying, while still enjoying all of their summer camp favorites. Programming is more thought-provoking and will challenge your camper to grow both physically and mentally. More advanced camping and boating skills are emphasized.

PATHFINDERS (entering grades 6-8) – This program challenges campers to go beyond their comfort zone and is designed to empower them to take chances and develop a stronger sense of self-worth. We promote leadership and independence with a group-influenced schedule while staying true to our outdoor living roots. Campers learn to master and practice advanced outdoor living skills.

CIT (Counselor-In-Training ages 14-16) – This three week program is designed to bring out leadership skills and develop strong self-confidence. CITs learn what it takes to be a leader in an outdoor living-based camp. We are looking for campers who have a reasonable understanding of outdoor living skills and aren't afraid to get dirty. CITs assist in leading activities as well as developing and teaching new activities to campers all under the watchful eye of a counselor.

YMCA CAMP ECHO ROCK

Welcome to YMCA Camp Echo Rock! We are so excited to provide memorable summer experiences once again for campers and their families. Camp is a place where folks of all ages are able to meet new people, learn a variety of skills, and spend time with "real" everyday role models - the type of people you are honored to know.
Camp programs and locations may change over the years, but the one thing that makes camp so special remains: the camp staff. They are the heart and soul of every camp. Our staff love an active outdoor schedule and working with a variety of campers. They take pride in helping children grow and develop spiritually, mentally and physically. Our counselors have a desire to teach others and attention to detail necessary to make a busy camp schedule work. They are some of the most dedicated and creative people on the planet. You can count on us to provide fun, well supervised and enriching activities.
We are looking forward to providing these opportunities for you and your family. We hope you will join us. Thank you for considering YMCA Camp Echo Rock.
